

Workshop Facilities

CASTLE EQUIPMENT

3000 x 2000 Router and Knifing Machine
Horizontal Borer
Milling Machine, Manual and Lathes
Surface Grinder 500L x 250W x 400H
CNC Lathe 300mm diameter x 100L bar Fed, Live tooling
Cylindrical Grinder 300mm Dia. x 1000mm
CNC Lathe 1340 diameter x 6000L, twin chuck
520mm spindle bore, 20T between centres
CNC Mill 3100L x 1600W x 1000H,
90 degree milling Borer 3100 x 1520 Table
Vertical Lathe up to 2500 Diameter 1750h x 15 Tonne
CNC Lathe 900 Dia. x 3000L, Live Tooling

Line Boring
Milling Machine
Press Brake - bending up to 10mm plate x 3000L
Hydraulic Container - Hoses 6 inch to 32 inches
4.5T Vehicle Hoist
10T Overhead Crane
4 Licenced A/C Fitters
Guillotine

Full Fabrication / Welding Bay:

MIG
TIG
ARC
Plasma
Ability to weld stainless steel and aluminium

Building C / 283 Mandurah Rd,
East Rockingham WA 6168
